Safety       Health       Illness/Injury       Surveillance

**2018-011**

**Date:** March 1, 2018  
**To:** All Staff  
**RE:** Hazard/Incident/Accident Reporting Forms

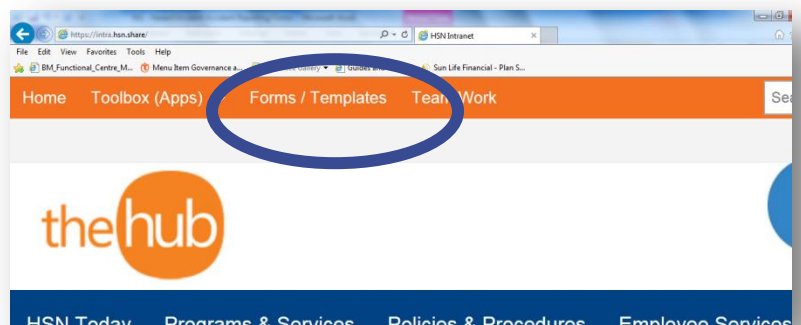

*And we heard you!*

The following hazard/incident/accident reporting forms have now been created in a format **that allows you to fill them in online:**

- **Employee Report of Occupational Hazard/Incident/Accident** (aka the blue form)
- **Gradual Onset Strain Report** (aka the pink form)
- **Witness Statement** (aka the green form)

They can be found with the **Supervisor's Report of Hazard Incident Accident** and the **Functional Abilities Form** (new!) on the Hub under Forms/Templates > Occupational Health and Safety. The "old" versions which can be printed and filled in by hand are still available in the same location.
